Who are we?

Hello and welcome from the PEACE Multicultural Services team at Relationships Australia SA.

Unidos is a warm and friendly community group and support program. Unidos is a Spanish word meaning unity.

The group welcomes same-sex attracted people, or those who are curious about their sexuality, from Multicultural and non-English speaking backgrounds.

Meet the Unidos Coordinators

Meet Andy and Tingting, the Unidos Coordinators.

Tingting is a professional social worker from Mainland China and Andy is a senior counsellor and case manager from Japan.

They are both a part of the PEACE Multicultural Services team, working as Community and Peer Support Educators.

What do we do?

Our team is passionate about providing opportunities for Unidos members to connect with support networks and one another. Unidos aims to support members to build on their existing strengths, establish new friendships in local communities and improve their overall health and wellbeing.

We are here to listen, learn and support our members through one-on-one private meetings (face-to-face or by phone), email, Facebook messaging and fun group activities.

Unidos is a **free** program that is available for international students too. We are inclusive of all cultures and respectful of different cultural values.

Please contact us for a chat!

Do have any questions or would like to know more about what we do? Get in touch with Unidos coordinators Andy and Tingting (based at RASA's Hindmarsh location).
